About

Our Breakfast Nook, my favorite place to work. It looks like a bomb went off by the end of the day.

Unique shop created to liquidate overflow from an eccentric couple's extensive, private collection.

Phoebe and Zeke met when his magazine Twisted South was doing a cover story on her father, entertainer Jerry Lee Lewis. They live in a French Second Empire mansion on a high hill overlooking historic Downtown Lynchburg. Both lifelong collectors, they are emptying a warehouse full of beautiful and unusual things that the two collected (or were gifted) over a combined period of 70 + years. High End Hoarders!

Ezekiel Asa Loftin XII

Owner, Curator Of The Twisted South Collection

Zeke Loftin – Elusive, reclusive, eccentric owner of Twisted South LLC, (Twisted South Magazine and Radio,) published writer, photographer, director (art/fashion/video), publisher, jewelry designer, artist, radio producer, animal rescuer, husband of Phoebe Lewis-Loftin XII. They have historic homes in Memphis and Texas but live primarily in their 1875 French Second Empire mansion on a hill high above downtown Lynchburg, Virginia. They are devout animal lovers. He is the 12th, in the line of Ezekiel Asa Loftin's born in America.

Phoebe Lewis - Loftin XII

Owner

Phoebe Lewis – Loftin XII – Phoebe managed her father (entertainer, Jerry Lee Lewis,) which included extensive touring through Europe, South America, Russia and the Middle East. She loves anything French. During these travels both domestic / abroad she accumulated numerous gifts and purchased things she loved, from around the world. Like her husband she is an avid collector. She is also, very reclusive and hangs out with her dogs. She enjoys the beautiful gardens surrounding Twisted South that were designed by her husband as an annual gift that changes with the seasons. She has traveled the world extensively and is true Rock & Roll royalty.

Topaz Jr.

EXHIBIT J

**Grumpy Old Man**

Ill tempered, grouchy Chihuahua that is nearly as old as Methuselah. Featured often in major magazines and referred to in the Jerry Lee Lewis biography and numerous interviews, by author Rick Bragg. "These days the most dangerous resident at Mr. Lewis' north Mississippi home is a Chihuahua named Topaz Jr. He bites." He grumbles around the Twisted Mansion bitching and complaining.

**Zelda Bunny Lou-Lou**

Queen Of The Kingsize Bed

The youngest surviving member of the Jerry Lee Lewis Chihuahua's at age 14. She, unlike her brother is sweet and kind and only gripes at our coonhound. Zelda is a creative genius!

**Moonlight Jenny**

Marketer, Assistant

Jenny is a redbone coonhound that had some behavior problems. Her parents champions, her mother Moonlight Kate, legendary. But she does not like guns and we don't care. We had this champion spayed. No puppy machine!
